LOOKING AHEAD

JAN. 4 Our January meeting will be held in the Meeting Hall of The Historical Society of York County. Business portion of the meeting will begin at 2:15 p.m. and the program at 2:30. S.C.P.G.S. member D. Ernest Weinhold will speak on "What's happening in Lancaster County, PA". Mr. Weinhold edits a family newsletter, is Chairman of the Genealogical Committee of The Historical Society of Cocalico Valley (Lanc. Co.), is on the Board of Directors of The Lancaster Mennonite Conference Historical Society and a member of its' Genealogy Committee.

If its' been a while since you've done any research in Lancaster Co., do plan to attend. Mr. Weinhold will bring us up to date on the many changes that have been taking place.

IN CASE OF BAD WEATHER

At this time of year there is always the possibility, because of inclement weather, that the meeting will have to be cancelled. If weather conditions on Jan. 4 cause you to question whether or not the meeting will be held call either Dave Hively(717-927-6202) or Pat Gross(717-843-6169).

PATIENCE PLEASE

Our Research Committee normally does an excellent job of answering requests for help in a reasonable period of time. Since the mailing of our last Special Publication they have received a large number of requests pertaining to the Quarter Sessions Docket Books housed at the Court House. Since these requests can only be answered by spending time at the Court House a major problem has arisen. The hours the Court House is open make it difficult for most Committee members to spend much time there. Because of this we ask members that have requested help with the above to be patient - your requests will be answered, but not as quickly as normal.

HELP NEEDED

Gloria Aughenbaugh, our Research Committee Chairlady, would like to hear from any local member(s) willing to help with the above problem. The Court House is open Mon. thru Fri. from 8:30 to 4:30. If you are able and willing to do some research there during these hours to help clear up the above memtioned back log of requests please let us know.
