Newer SCPGS members may be unfamiliar with Schuyler C. Brossman's valuable and widely read genealogy column, Our Keystone Families. Mr. Brossman's column announces in significant detail the publication of new books; the formation of new organizations; information about family newsletters, associations and reunions; research in progress on various families. In addition the column contains many queries. The queries must have a Pennsylvania connection, include at least one date and should not be more than 150 words. Information or queries that an individual would like to have published in the column should be directed to Schuyler Brossman (P.O. Box 43, Rehrersburg, PA 19550). Because of the volume of queries there is often a delay in their publication.

The Brossman column described in the previous paragraph is published in the weekly newspaper, Press and Journal (P.O. Box 310, Middletown, PA 17057). This paper will be mailed to PA subscribers for $8 per year and to out-of-state subscribers for $12 per year. If you subscribe and support the dedicated work of Mr. Brossman, note in your letter that you are subscribing because of the genealogy column.
