LOOKING AHEAD

FEB. 1 Our February meeting will be held in the Meeting Hall of The Historical Society of York County. Business portion of the meeting will begin at 2:15 p.m. and the program at 2:30.

This meeting will be a WORKSHOP SHARING PROGRAM in which everyone can become involved. Members with a wide range of experiences and interests will be present and ready to share their knowledge with others.

Are you a raw beginner who needs help getting started - or somewhat experienced, but not certain about where or what to check next - or perhaps you're "well seasoned", but interested in comparing research techniques with someone else - - - whatever stage you're in - someone will be available to help you or with whom you can talk.

If the above does not interest you - how about talking with someone who is well versed in research in the State Library & Archives, or Cumberland Co., or the history of the various S.C.P.G.S. counties, or getting info. on the DAR, DAC, or SAR? ALSO, there will be available for your use a variety of typed/printed materials such as our Surname Index, Brossman Column Index, County Will Indexes, and an assortment of "not readily available" basic research books.

IN CASE OF BAD WEATHER

If weather conditions on Feb. 1 cause you to question whether or not the meeting will be held call either Dave Hively(717-927-6202) or Pat Gross(717-843-6169).
