LOOKING AHEAD

SEPT. 6 - Through Tom Spangler, a member, traveling to Germany. He has invited Roland Paul to come to York when he is in this country. Through his activities in Germany, we have also received an article in the April 1981 German newspaper in the Sinsheim area. Therefore, the first meeting of the Society for the 1981-1982 will be on September 6. Present plans have Herr Roland Paul, assistant at the Heimatstelle Pfalz, Kaiserlautern, West Germany as our speaker. The Heimatstelle Pfalz is an agency that studies all aspects of the culture and history of the Palatinate, at a previous time, emphasis was placed on emigration into and out of the Palatinate. Herr Paul is interested in this topic. He has previously visited in the United States.

The business portion of the September meeting will begin at 2:15 p.m. and the program portion at 2:30 p.m. The meeting will be held in the Meeting Hall of the Historical Society of York County, 250 E. Market St., York, PA.

NOTE: In case Herr Paul can not be present because of unexpected complications, an alternate program will be presented. Anyone who plans to attend the meeting specifically to hear Herr Paul, especially if you are traveling a significant distance, may wish to confirm the attendance of Herr Paul. To do so you should call the Historical Society of York County, (717)-848-1587, Pat Gross, (717)-843-6169, or Rodney Trimmer, (717)-764-1679. Calls should be made no more than a few days before September 6.

The remaining meeting dates for this program year are as follows: October 4, November 1, November 29 (in place of the usual first Sunday in December), January 10, 1982, February 7, March 7, April 4, May 2, and June 6.

The October 4 meeting will be held at Asbury United Methodist Church, East Market St., York, PA. The program will be presented by the Archives Committee of the Church.

On November 1, the well-known genealogist Milton Rubincam is scheduled.

On November 29, William Woys Weaver is scheduled speaker.

STATE LAND RECORDS OFFICE TEMPORAIRLY CLOSED:

As of mid-July the PA State Land Records office was temporarily closed to the public. The office and its records are being moved from the South Office Building to the Archives Building at Harrisburg. The Land Records Office will now be under the jurisdiction of the Pennsylvania Historical and Museum Commission. Full service to the public may not return until September 1. Before making a trip to Harrisburg to use land records, you would be wise to call the Archives to see if the records are available.

FOR MEMBERS INTERESTED IN LEIB ANCESTRY: Descending from John (Johannes) LEIB who died in Manchester Twp., York Co. prior to 1756. I have received a letter from a Pastor Bunke of Reihen, Germany, with documented proof that Johannes LEIB's bapt. is recorded there. The Reihen records given the LEIB/LEIPP ancestry back 3 more generations, & state that the fam. had come earlier from Beggingen, Schafhausen, Switzerland. Members who are interested in corresponding with me to receive the details. Contact:
