LOOKING AHEAD

April 4, 1982 - Our April meeting will be held in the Meeting Hall of The Historical Society of York County. The business meeting will begin at 2:15 p.m. The program will be a "Share and Ask and Research" workshop. We will begin with a group question and answer session, so have your questions ready -- we cannot guarantee answers, however! After this group session, individuals may use the various materials available and/or talk with others. We plan to have available the following materials, including items the SCPGS has donated to the HSYC or has helped the HSYC compile -- Brossman Columns and Indexes; Will Abstracts and Indexes for Lancaster, Berks, & Cumberland Counties; Continental Immigration Project, Index to Egles Notes & Queries (if it has arrived); the Hoke Genealogy. Also, available will be the SCPGS member Surname Index File by which you can find out which members are researching what names. Members are encouraged to bring any research tool (especially if indexed) that is not commonly available and that may be of interest to others. Come and share an informal afternoon of fellowship.
