"THE SHOCKEY HISTORY AND GENEALOGY BOOK", by Ralph N. and Marie F. Shockey is complete and ready to be published !!!!

This book is from 1715 - 1981. It contains 1449 pages, 10 maps, 144 pictures and over 11,000 names. There is an index of names at the beginning of each chapter. Thirty seven percent of the surnames are Shockey. All stories, pictures, maps, legends and names relate in one way or another to the Shockey family. This history relates to the era, the places, and names of people, where they lived directly or indirectly. It shows the migration of the Shockey family all over the United States, even in Mexico, Hawaii, and a great number into Canada. They left history wherever they lived.
